WOLF News is a commitment to being on one of four teams of 8 students. The students on each team prepare their own reports and edit videos on camera from home with the help of a parent or in studio with their parent team manager. Each team is given an 8-week time frame for reporting and must be available to be in studio for the 8 week session. The teams will meet on Wednesdays after school from 1:00-2:00 in the WOLF News studio.

Students will be notified by email **Friday, September 6th**. Check out our WOLF News reports from past years on our YouTube channel: ARESPTA
